Advanced CDBG is two and one-half day educational experience designed for the community development professional who desires a deeper understanding of the requirements and flexibilities of the CDBG program. The class will give the participant increased confidence and the ability to identify alternative approaches to create effective solutions in their CDBG programs. Participants will also sharpen their CDBG project management skills.

*Can't travel to attend COSCDA training? We can come to you! Select the training your agency needs and COSCDA can come to you! For More Information, please contact COSCDA at (202)293-5820 or email [abillingsley@coscda.org](mailto:abillingsley@coscda.org)*

1825 K Street, N.W., Suite 515  
Washington, D.C. 20006

Advanced  
CDBG

## Who Should Attend?

Advanced CBDG is not for the individual just entering the field of state CDBG administration. It is for those individuals who want to proudly consider themselves advanced CDBG practitioners. Everyone who has worked in the community development field for over three years and has previously completed COSCDA's CDBG Boot Camp course should attend Advanced CDBG.

## Benefits

Advanced CDBG will provide you with the knowledge and skills to help you further CDBG implementation in your state and assist your agency's overall effectiveness and/or program delivery efficiency.

## Areas Covered

The COSCDA Advanced CDBG will cover the following topics:

- Policy Planning and Program Development
- Pro-active approaches to achieving effective CDBG program implementation while avoiding common road blocks
- CDBG Program management and subgrantee management
- Grantee CDBG Program Monitoring
- HUD oversight of State CDBG Programs
- CDBG Accountability and Performance Measures

## How to Participate

Advanced CDBG can be brought to your state for a fee. The price includes materials for 50 individuals. Participants can include state staff as well as stakeholders that work with the state CDBG program.

## Class Process

An overview and recap of each day will be held at the beginning and end of each day. Class exercises will be completed throughout the training to demonstrate practical application of the information.

Participants will receive a Certificate of Course Completion upon successfully completing and passing the Advanced CDBG Exam.
