**PROJECT NAME:
CENTRAL IOWA SHELTER & SERVICES (#154)**
Federal Funding Type: Des Moines ESG

Emergency Shelter Measures:

Measure	Goal Description	Data Source
Average Length of Stay (Days)	10% reduction in average length of stay annually.	APR Q22b
Median Length of Stay (Days)	10% reduction in median length of stay annually.	APR Q22b
Returns to Homelessness within 6 months	No more than 10% of adults who exited to permanent housing in 2015 return to ES, TH or SO within 6 months of exit.	ICA custom edit of System Performance Measure Metric 2
Returns to Homelessness between 6 months and 2 years	No more than 10% of adults who exited to permanent housing in 2015 return to ES, TH or SO within 6 months to 2 years of exit.	ICA custom edit of System Performance Measure Metric 2
Exits to Permanent Housing	At least TBD percent of participants will move into permanent housing at exit.	APR (Q23a+Q23b)/Q5a5

* The 2016 returns to homelessness measures clients who exited in 2014, and their return rate for up to 2 years after (through 2016).
The 2017 returns to homelessness measures clients who exited in 2015, and their return rate for up to 2 years after (through 2017).
The 2016 measure will not apply to projects that opened after 2014, and the 2017 measure will not apply to projects that opened after 2015.

** If the 2016 result for a measure is 0, and the goal description specifies a percent increase for the 2017 goal, the 2017 goal shows as 0.

Clients with Health Insurance at Exit	At least 85% of clients will receive at least one source of health insurance at project exit.	APR Q21

* The 2016 returns to homelessness measures clients who exited in 2014, and their return rate for up to 2 years after (through 2016).
The 2017 returns to homelessness measures clients who exited in 2015, and their return rate for up to 2 years after (through 2017).
The 2016 measure will not apply to projects that opened after 2014, and the 2017 measure will not apply to projects that opened after 2015.

** If the 2016 result for a measure is 0, and the goal description specifies a percent increase for the 2017 goal, the 2017 goal shows as 0.
