

Summer/Fall 2022 Internship

COSCD A seeks a highly-motivated candidate to assist the association with research and communications. Specifically, COSCD A leads outreach with Congress and the U.S. Housing and Urban Development ensuring policies and resources align with state actions on community development and housing. The internship involves support to COSCD A's government relations lead and gathering critical information detailing how federal investments impact people and communities.

The intern is expected to engage on the following activities:

- Help prepare communications to COSCD A members - newsletters, member alerts, and social media.
- Contribute to research on how states are helping communities to recover from disaster events. Assess state actions and how member programs are adapting funds and activities to relief measures.
- Assist in preparing materials for outreach and engagement with congressional offices and HUD staff. Documents may include introductory letters on COSCD A, project examples, and impact of HUD funding in state/congressional districts.
- Support development of member profiles showing how COSCD A members (state agencies on community development and housing) deliver federal dollars to community needs and other activities of the agency sponsored by both federal and non-federal funds.

The paid position will be telework-only at 10 hours/week ideally from August to November. Schedule and length of internship will be responsive to the academic calendar and individual's related obligations.

Individuals pursuing a graduate degree in public policy, economics, public administration, urban planning, or related field are encouraged to apply.

Interested candidates should send their resume and a brief writing sample to Josh Shumaker, Director of Advocacy and Federal Programs (jshumaker@coscda.org). Please send qualifications for consideration by July 8.
