Narratives

Program Summary:

The Recovery Housing Program (RHP) authorizes assistance to grantees (states and the District of Columbia) to provide stable, temporary housing to individuals in recovery from a substance use disorder. The RHP aims to support individuals in recovery on a path to self-sufficiency and independent living. The assistance is limited, per individual, to a period of not more than 2 years or until the individual secures permanent housing, whichever is earlier.

The State of Kentucky received RHP funding because it has an age-adjusted rate of drug overdose deaths above the national overdose mortality rate, according to the Centers for Disease Control and Prevention.

The Kentucky Department for Local Government (DLG) in partnership with the Kentucky Department of Health and Human Service's Office of Behavioral Health and the Kentucky Department office of Drug Control Policy, has identified a need for additional housing for individuals exiting recovery residences, as well as individuals for who a recovery residence may not be an appropriate setting. RHP funds will be awarded by DLG to one or more entities to produce, preserve and/or rehabilitate rental housing. Funds will be made available through an application process to ensure all HUD requirements are met. Applicants must demonstrate an ability to operate the housing and directly or indirectly provide recovery related services for participants.

Note: Please refer to the Kentucky Recovery Locations and the Kentucky Annual Drug Overdose Deaths PDFs in the documents section of this action plan

Resources:

Amount of Funds

Kentucky's 2020 RHP Allocation

\$ 1,116,000

Kentucky's 2021 RHP Allocation

\$ 974,776

Less Administration Costs

\$ 62,723

Total Amount for Distribution

\$ 2,028,053

The Kentucky Department for Local Government will attempt to leverage as many federal, state, and local resources as possible in order to maximize RHP investment. No program income or other federal program funding is expected. Kentucky will review designated opportunity zone census tracts across the state when considering the distribution of resources and placement of RHP projects.

Administration Summary:

The Kentucky Department for Local Government will serve the role of RHP Administrator. Agency contact information is listed below.

Agency:	Kentucky Department for Local Government
Address:	100 Airport Road
City, State, Zip:	Frankfort, KY 40601
Phone number:	502-573-2382
Website:	kydlgweb.ky.gov

Use of Funds - Method of Distribution:

RHP funds will be awarded directly to subrecipients.

Use of Funds - Activities Carried Out Directly:

Public Facilities and Improvements.
Acquisition of Real Property
Disposition of Real Property
Clearance and Demolition
Relocation
Expansion of existing eligible activities to include new construction

Use of Funds - Eligible Subrecipients:

Public and private nonprofit organizations in all geographic areas within the Commonwealth of Kentucky, including CDBG entitlement areas. Public and private nonprofit organizations must be exempt from taxation under subtitle C of section 501(c), have an accounting system, a voluntary board, actively engaged in recovery housing efforts in Kentucky or previously engaged in recovery housing efforts in Kentucky, and practice nondiscrimination in the provision of assistance. Assistance may be provided to primarily religious organizations that agree to provide all eligible activities in a manner that is free from religious influence.

Use of Funds - Criteria for Evaluation:

- Evaluation Criteria
- Project Need. The projects substantiated and addressed a need that is significant to the needs of the community. Entities with the greatest need and entities with the ability to deliver effective assistance in a timely manner were given high priority.

- Necessary and Reasonable Expenditure of RHP Funds. The projects must substantiated that RHP funding was necessary to meet the identified need(s); the impact of RHP dollars was maximized and the use of RHP funds was reasonable when compared with other funding sources. The state determined that all other feasible public and private funding sources have been analyzed and/or applied to the project.
- Project Effectiveness. The projects substantiated that project accomplishments were significant given the need, amount of funds requested, local effort and program design.
- Project Timeliness. Projects that meet the greatest need and ability to deliver effective assistance in a timely manner were chosen.

Definitions - Individual in Recovery:

- Individual in Recovery
 1. An individual going through a process of change to improve their health and wellness, live a self-directed life, and strive to reach their full potential.

Definitions - Substance Use Disorder:

- Substance Use Disorder
 1. Substance use disorders occur when the recurrent use of alcohol and/or drugs causes clinically significant impairment, including health problems, disability, and failure to meet responsibilities at work, school, or home.

Anticipated Outcomes:

A Performance Measurement Outcome System has been established by HUD as a standardized framework to gather information, measure program results and quantify the benefit of these programs to low and moderate income families and communities. The programs that are covered by this framework include CDBG. To ensure that 30% of FY2020 RHP funds are expended within twelve months of DLG's receipt of the RHP grant agreement from HUD, Kentucky posted, the KYCDBG-RHP Guidelines and request for proposals (pre-submission applications). Pre-submission applications were accepted from May 5, 2021 June 11, 2021. Nine pre-submission applications were received. Of those six were invited to submit full applications. One applicant withdrew, so DLG has five applications pending approval

DLG has established the following "proposed" outcome measures:

- - Number of individuals served - 85 individuals served annually
- - Number of individuals transitioning to permanent housing - 43 (85X.5) individuals will transition to permanent housing on an annual basis
- - Increasing Independence - 43 (85X.5) individuals will increase their income on an annual basis X will be determined by the number of units developed with these

funds.

These measures will be reported to HUD annually.

Expenditure Plan:

DLG will solicit applications from agencies with the ability to deliver effective assistance in a timely manner. DLG will consider an applicant's prior performance related to administering prior federal awards, including HUD, to insure that least 30 percent of its RHP funds within one year from the date the funds are available to the grantee, and of how the grantee intends to expend 100 percent of the RHP funds before the end of the period of performance (September 1, 2027). Pre-application for capacity review is required. DLG will solicit qualitative and/or quantitative information from applicants to demonstrate a need for the activities being proposed for RHP funding. A grantee shall consider both the projected demand for the proposed temporary recovery housing solution and the financial need for assistance.

The administrative costs listed will be used by DLG for RHP project administration. This will include salaries for time spent on RHP, newspaper publications, technical assistance, etc.

DLG has separate time codes set up for RHP administration. A budget established by the DLG budget director will allow only the amount listed for administration to be expended. The budget will send, monthly or by-monthly a summary of the admin funds expended to date to the RHP Project Manager, Mark Williams, for review.

Citizen Participation Summary:

• Public Hearing

Mark Williams hosted the public hearing. Mark read through the proposed action plan and ask for comments or suggestions. No negative comments or emails were received. Public notices and emails are attached in Documents section of this action plan. Partial list of attendees:

10:00:48 From bjohnston : Barry Johnston bjohnston@audubon-area.com from Audubon Area Community Services, Inc. Owensboro, KY 270-686-1624

10:01:50 From Vonda Poynter-Fahe Inc. : Vonda Poynter Vonda@fahe.org and located in Berea, KY 40403

10:01:56 From Margaret : Margaret Corneilson, Revive Ministries Inc.

10:02:16 From Mary Palmer : Please share your name, email and organization you represent. Thank you!

10:02:36 From Margaret : mcorneilson@revivetomission.com

10:04:42 From Gateway ADD : Jason Boggs, Gateway ADD, glenn.boggs@ky.gov

10:08:29 From kamamckinney : Kama McKinney - Chrysalis House

A recording of the meeting and the full attendee list are available for review. I cannot upload them to DRGR. The meeting was recorded.

There were no comments that were not accepted.

1. As instructed by HUD in writing, the State held a virtual public hearing on June 15, 2021 to solicit residents' views on actions, activities, and programs to be funded with federal program funds. During the public hearing, the State address housing and community development needs, development of proposed activities, the amount of assistance the State expects to receive (including grant funds and program income), the range of activities that may be undertaken, including the estimated amount that will benefit low-and moderate-income residents, a review of program performance, the dates of the public display and comment period; the locations where copies of the draft RHP Plan can be examined; and, how comments will be accepted.

2. The draft RHP Action Plan Plan was placed on display on May 26, of no less than 30 days, or no less than a time period specified by HUD in writing, to encourage public review and comment. The public notice included the dates of the public display and comment period, the locations where copies of the draft RHP Plan can be examined, and how comments will be accepted.

3. Written comments will be accepted by the Contact Person, or a designee, during the 30-day public display and comment period. The State will consider any comments or views of State residents received in writing, or orally at the public hearing, in preparing the final RHP Plan. A summary of these comments or views, and a summary of any comments or views not accepted and the reasons why, will be attached to the final RHP Plan for submission to HUD.

Partner Coordination:

DLG staff communicated with several state agencies regarding the use of RHP funds. The Kentucky Housing Corporation, Department for Behavioral Health in the Cabinet for Health and Family Services, and the Office of Drug Control Policy in the Justice and Public Safety Cabinet have offered guidance and set up meetings to promote the new program.

The Department for Local Government currently works with the Kentucky Housing Corporation and Department of Corrections to help fund the Recovery Kentucky Program, which was created to help Kentuckians recover from substance abuse. There are 14 Recovery Kentucky centers that provide housing and recovery services for up to 2,000 individuals across the state.

The Department for Behavioral Health provides leadership to prevent disability, build resilience in individuals and their communities, and facilitate recovery for people whose lives have been affected by substance abuse. Their staff manages several specialty programs that focus on key populations, coordinates efforts to build a recovery-oriented system of care across the lifespan, and provides guidance and technical assistance.

The Office of Drug Control Policy coordinates Kentucky’s response to substance abuse issues. They are joined by Behavioral Health and DLG to coordinate the prevention, education, treatment, and law enforcement in a united effort to confront the current epidemic.

Subrecipient Management and Monitoring:

1. [Subrecipient Management and Monitoring](#)

DLG will monitor the project at least once before the project is closed. If required, monitoring may take place more than once to resolve unforeseen problems. Ideally, DLG like to monitor projects when 50% to 80 % completed.

Pre-Award/Pre-Agreement Costs:

1. [Pre-award/Pre-Agreement Costs](#)

If DLG approves the 2020 RHP application, Five percent of the total project award may be used for pre-award/pre-agreement costs required for the completion of the 2020 KYCDBG Housing application, including all evidentiary material requested prior the release of funds.
