

FY2024 Appropriations Recommendations

[Details here](#)

HUD Office of Community Planning & Development Salaries & Expenses

Request: at least \$164m to sustain HUD capacity & technical assistance

Community Development Block Grant (CDBG)

\$4.2B (*Aligns w. last authorized level of \$4.168B in FY94*)

- Improve CDBG use for housing construction (*remove CBDOs, plan requirements*)
- Strengthen program administration & technical assistance (*increase state cap (6%), match threshold*)
- Update CDBG for public services (*increase cap to 20%, exempt fair housing*)
- Remove the 1-year, 30% expenditure deadline on Recovery Housing Program (RHP) funds

CDBG – Disaster Recovery (CDBG-DR)

- Enhance access to disaster aid through annual funding
- Improve program accountability & oversight (*allow up to 10% of grant for administration*)

HOME Investment Partnerships (HOME)

\$2.5B (*+\$1B from FY23 level*)

- Suspend commitment deadline (included in recent annual appropriations)
- Allow jurisdictions to retain CHDO set-aside funds (included in recent annual appropriations)
- Strengthen program administration & technical assistance (*increase cap to 15%*)
- Improve ability for HOME to support non-profit housing orgs (*increase cap to 10%*)

Homeless Assistance Grants (HAGs) & Emergency Solutions Grants (ESG)

Robust resources for HAGs w. 20% to ESG

- Strengthen program administration and technical assistance (*increase Continuum of Care & ESG admin caps to 10%*)
- Maximize & streamline resources by extending pandemic-era waivers for ESG

Modernize HUD & Improve Effectiveness of Federal Resources

- Target resources to improve HUD-CPD IT (IDIS, DRGR, & HMIS)
- Assess & determine impact of Davis Bacon, Sec. 3 on project development
- Adopt aligned compliance standards between federal funding entities
