# Program Strategy

## Primarily serving the Non-Participating Jurisdiction

- Georgia has a diverse population structure
  - High amounts of Urban/Metro, Smaller Metro and Rural Areas
- Find areas large enough to sustain populations with needs but were not PJs who received HOME-ARP Funds

## Support other Department's Programming

- Coordinated Entry System Funding (Coordinator Positions)
- Exploring Supportive Services to fill ESG Gaps

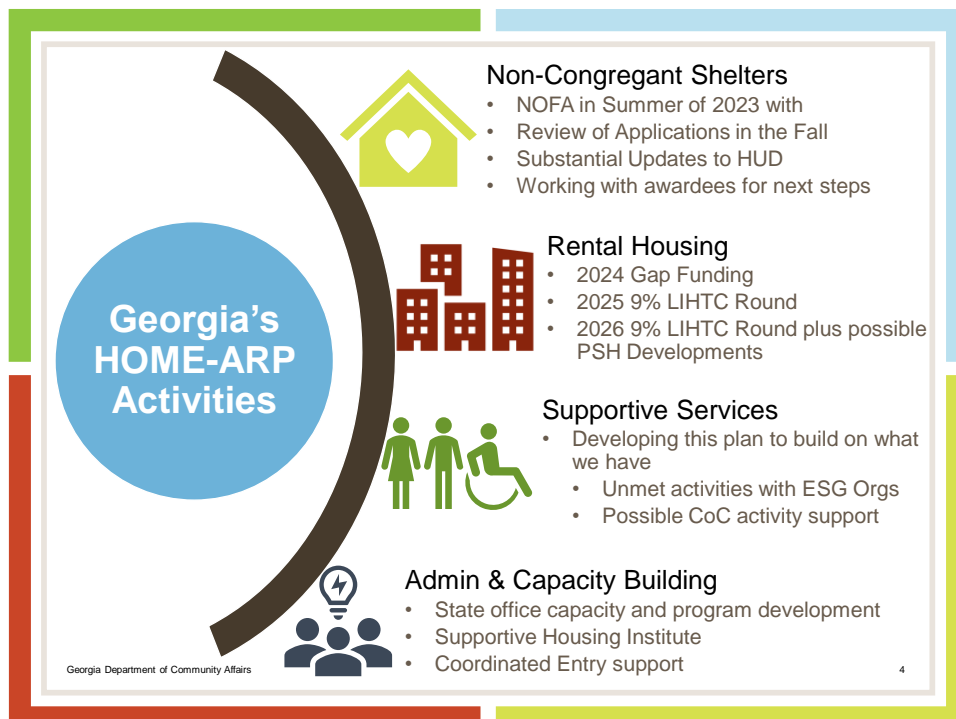

## Research

- Ensure our strategy is as data-informed as possible
- Review other examples from HUD and different states

## Diverse Activities

- Non-congregant shelters in multi-phased programs
- Rental Housing with all four QPs
- Permanent Supportive Housing Development
- Capacity Building & Training
  - Non-Congregate Shelter application weekly trainings for three-months
  - Supportive Housing Institute
    - Increase the opportunities for state partners to understand supportive housing

3

4

**Populations Served**

- NCS – Limitations & Preferences
  - Substantial Amendment
  - Time issues to review and complete funding

**Housing with Supportive Services**

- Education regarding the differences between PSH and the 4 Qualified Populations
- Building up new programming in GA

**Program Development**

- Referral strategies – make sure they are clear
- Long Term Implementation focus after 9/30/30

**Solutions...**

- Communicate with all affected departments in your agency and work out possible issues
- Networking with other states
- Attend all the HUD trainings or be sure to review them after & ask questions
- Apply for HUD Technical Assistance
