EisnerAmper provides a full scope of services to grantees, including those funded for federal relief to recover from significant declared disasters (CDBG-DR, FEMA PA/IA, ARPA, Cares) and large federally funded infrastructure, housing, and energy programs (IIJA, IRA, EPA, etc.). Our team of strategic advisors offers support to help governmental entities maintain compliance, streamline operations, and maximize resources, so they can focus on providing citizens with the vital services they need.
