DHCD CDBG Urgent Need | Documentation Thresholds

A current declaration of an emergency by the Governor of Virginia relative to a flood, a hurricane, a tornado, an earthquake, or other disaster event, not including droughts, snow, or ice conditions.

OR

A current declaration of an immediate and severe health threat by the State Commissioner of Health relative to the complete failure of a public water or sewer system or incident of similar significance.

AND

The locality must document no other funding is available to address the problem, and the CDBG funding will be directly targeted towards alleviation of the threatening conditions.
